

# CAMPUS 2023

## THE CERGY CAMPUS IS BEING TRANSFORMED

The Cergy Campus has been undergoing a major transformation in recent months and **three new eco-responsible buildings** are beginning to emerge in line with ESSEC's "Together" strategy.

DISCOVER IN PICTURES THE 3 BUILDINGS UNDER CONSTRUCTION AND THEIR PROJECTED COMPLETION

### THE FUNDRAISING CAMPAIGN CONTINUES IN 2022 AND 2023!

In recognition of a significant donation to this project the naming of a space could be proposed.

**The Pierre Nanterme Center for Responsible Leadership**

**The Research Green Tower**

**The Sports and Recreation Center**
